MANY TEAMS HERE INCLUDING CHINESE, WANT TO PLAY THE KEIO UNIVERSITY BASEBALL TEAM

When the Keio University team is in Honolulu the fans will be regaled with enough baseball to satisfy the most gluttonous. There will be ball on Saturdays and Sundays for a fortnight, and probably a mid-week series, in all of which Keio will be the star attraction. Tonight the Oahu League meeting will decide just what the league will do, and at the same time it is expected that the defunct St. Louis organization will be resurrected and get into the series which the League will arrange against Keio.

Ten Games Proposed.

If the plans which are now being discussed meet the approval of the majority of the league committee a schedule of ten games will be arranged, commencing with two games on July 4. Then there will be two games on the following Saturday and two on the 9th, 15th and 16th prox. In this schedule six teams will take part, Keio, St. Louis and each of the teams in the Oahu League.

Keio Anxious to Beat St. Louis.

It is suggested that St. Louis be given three games against Keio, one on July fourth, one on a Saturday and one on a Sunday, in order that Keio may have every opportunity of downing the Saints. In Japan St. Louis beat Keio and here in Honolulu the Saints were successful. With the additional experience gained by Keio, it is hoped by the Japanese that the visiting team will win out, and to afford them a chance of trying the St. Louis team will reorganize. At present the players of the St. Louis are in the Oahu League series. Barney Joy and "Haole" Sumner play for

the Stars; Louis Soares and M. R. Freitas for the Portuguese; H. Chillingworth, A. Franco, and Antone Louis for the Japanese and F. J. Markham for the Native Sons.

The Keio games will be played second each day, the preceding game between two of the other teams being more in the nature of a preliminary, consequently the teams will be able to do without their St. Louis players while the Saints are playing Keio.

The Final Games.

With St. Louis taking three games with the Keios and the Oahu League teams one each seven games are accounted for, leaving two yet to play. It has not been decided just which teams will compete in these two games, but if Keio proves too strong for the individual league teams it is possible that a combined Oahu League team will be sent up against the visitors in these two final games or that the two teams which head the league when the present series is ended will be given the games.

Chinese Will Challenge Keio.

It is also proposed to put a Chinese nine against Keio, for the Chinese boys feel convinced that they will be able to give the Japanese a good game. If it is decided to accede to the request of the Chinese it is probable that a mid-week series will be arranged between the two teams. From the Chinese playing in the Oahu League today a strong team could be selected and it would probably give a good account of itself against Keio. All these proposals will be passed on this evening when the Oahu League meets in the offices of Charlie Chillingworth.

Probable Teams For Sunday's Ball Games

There will be a general change of pitchers for the games in the Oahu League of Sunday next, according to the advance advices handed out. Pedro will have charge of the attack for the Portuguese; Hayes will reappear for the Stars; Espinda for the Japanese, and Alec Desha will again do duty for the Native Sons.

Much depends on Sunday's games, for unless the Native Sons can down the Japanese, the series will look like a foregone conclusion for the Japs. And the Stars have strong hopes of winning out. They hope to see the Native Sons win and, of course, expect to win themselves against the Portuguese.

In the first game the Stars and the Portuguese meet. The Stars will have the following lineup: Barney Joy, c; W. Hayes, p; E. Fernandez or Ah Toon, 1st; Miller, 2nd; Kan Yen, ss; Ah Tin, 3d; N. Hoopli, rf; Sing Hung, cf, and B. M. Sumner, lf.

The Portuguese will play the following: A. Souza, c; T. Pedro, p; M. Correa, 1st; A. Bushnell, 2d; Flier, ss; Joseph, 3rd; M. Oimes, lf; G. Madeira, cf, and J. Ornelas, rf.

Eddie Fernandez is at present in Hilo with his Johnson-Jeffries fight

pictures and may return by tomorrow's boat. In that case he will play at first but otherwise Ah Toon, who did so well at the sack on Tuesday, will again do duty.

For the second game, the Japanese and the Native Sons cross bats, and the game is certain to attract a great deal of attention. Either the Japanese or the Native Sons are tipped to win the first series, though the writer is inclined to the belief that the Stars will not be far behind at the finish, though only third at present. However, the Native Sons are out to win on Sunday with the following players: H. Raphael, c; A. Desha, p; A. Dreier, 1st; Hamauku, 2d; Kualili or O. Noah, ss; F. J. Markham, 3d; D. Desha, rf; W. Desha, cf, and W. Rice, lf.

The Japanese will play H. Brito, c; W. Espinda, p; A. Akana, 1st; A. Franco, 2d; H. Chillingworth, ss; A. Asam, 3rd; Antone Louis, lf; H. Walker, cf, and H. Zerbe, rf.

The Native Sons may play Noah, of the Kams, in either short-stop or second, and as they are to make application for admission to the A. A. U. both Bill Rice and H. Raphael will be able to continue playing with the team.

and will last for an hour. The function is one that promises well and should attract thousands of spectators, as it is probable that crews from the other islands will be here to compete in the various events.

AQUATIC CLUB PLANS CONTEST

The Kamehameha Aquatic Club proposes to pull off a regatta in Kailua harbor on June 12, at which five events will be contested, three canoe races and two sailing events. The ladies will open proceedings in a two-paddle canoe race, free-for-all, which is scheduled to commence at ten o'clock. A four-paddle canoe race for men will follow, and then comes the most important canoe race of the day, a six-paddle ancient canoe race for the championship of all-Hawaiian outriggers, over a half-mile course. Modern canoes will figure in the fourth event, a sailing race for the championship of all Hawaii, over a two and a half-mile course, and the day's sports will close with another sailing race for modern canoes over the same course as the preceding race.

Guests will be entertained at a luncheon, which will commence at noon

The players are showing greater interest in the game this season than has been the case for some years and are being admirably led by Walter Dillingham, R. Atkinson, George Denison and Sam Baldwin. Saints Close Ball Season.
St. Louis seconds finished up their baseball season yesterday by defeating Punahou seconds 6-3, adding the fourth championship of the year to their list. Swan and Branco formed the battery for the Saints yesterday. The Baldwin Brothers doing similar service for the Puns. The Saints have had a remarkably fine season, winning the Inter-cholastic series, the triangular series with Punahou and Kama, the Grammar School series and now the Second League.

Gone on Wedding Tour.
M. R. Freitas, captain of the Portuguese baseball team, who pitched last Sunday, has left for Maui, in order to get married. He will not be in the game on Sunday but will no doubt be warmly welcomed by the Portuguese fans when he reappears on Sunday week.

Harvard Tour Off.
It is probable that the proposed tour of the Harvard baseball team to Japan, via Honolulu, has been abandoned, for Al Castle, who got into communication with the University regarding a stay-over in Honolulu has heard nothing further of the matter. This morning Al expressed the opinion that it was all off.
